

To whom it may concern at the FCC:

I benefit from listening to XM Satellite Radio and its traffic and weather channels.

Satellite radio provides variety and quality that are not available elsewhere. My wife and I pay for these services and it should not be up to the National Association of Broadcasters to dictate what we are permitted to hear.

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I have come to enjoy, demand and deserve.

Thank you for your attention to this important matter.

Best Regards,

Michael D. Bartholomew
